

UNITY Thunder strives to provide an opportunity for youth to participate in a group activity, to make new friends, and take something positive with them through participation in our sports programs. UNITY Thunder is committed to the following standards:

ALL COACHES, PARENTS and TEAM MEMBERS WILL:

1. Comply with the philosophy, policies and procedures of UNITY Thunder. Respect all participants, coaches, officials and volunteers involved in the program at every game, practice or youth sports event and encourage our children to do the same.
2. Help our children enjoy the youth sports experience by doing whatever possible, including behaving in a respectful manner, refraining from abusive or inappropriate language and allowing the coach to guide and instruct the team members throughout the game.
3. Treat all opposing team's team members, parents, coaches and spectators with respect and good sportsmanship.
4. Demand a sports environment that is free from tobacco products, drugs and alcohol at all youth sporting events, practices, and games.
5. Remember that the game is for youth – not adults.
6. Team members will be on time to all practices and games, with the appropriate and required equipment.
7. Physical contact with other spectators, officials, coaches or team members is never allowed.
8. Abide by a doctor's decision in all matters of team members' health, injuries, and ability to play.
9. Let the coaches conduct practices and coach the games without interference. Be part of the game by positive cheering.

If a parent or spectator is ejected for any reason as dictated by club and league rules, he/she may not be permitted to attend the next two games. If a parent or spectator is ejected a second time or acts out physically toward another individual, he/she will not be allowed to attend any UNITY Thunder sponsored event for at least one year from the date of the incident. If such action is taken, the individual must meet with the UNITY Thunder Director and/or Board Member prior to returning to any event.

If a team member is removed from practice or a game for violation of this Code of Conduct, he/ she will be suspended from practice and could be suspended all together from games. The Coach has the discretion to determine the outcomes of Code of Conduct violations by the team members.
