

UNITY Thunder Cheerleading

2013 Participant Waiver

Parental Consent for Participation:

I hereby give my permission for my child to participate in the UNITY Thunder youth cheerleading program. I understand that he/she will be expected to abide by ALL of the rules of the program. I personally assume all risks, hazards and responsibilities incidental to my child's participation in the program. I understand that cheerleading is a sport and therefore I understand that there is a possibility of injury. I further agree to that I will not hold any officer, manager, coach or volunteer responsible for injuries or other accidents experienced by my child while participating in the cheerleading program (this includes incidents that occur while traveling to and from, or being transported to the activities).

Parental Acknowledgement of Code of Conduct:

UNITY Thunder cheerleading organization is a private organization formed to promote a positive family experience for its participants. To that end, all potential registrants must be aware of the Thunder Code of Conduct. As a condition of participation with the Thunder, all participants - coaches, volunteers, players, parents, guests and spectators - are expected to strictly abide by the this code of conduct. The Thunder reserve the right to restrict participation due to any past or present violation of its code of conduct.

During the first week of practice, a signed Parent Code of Contact will need to be signed by a parent or guardian for each participant and turned into their respective coach

Volunteer

UNITY Thunder is a non-profit organization made up entirely of volunteers that are responsible for every facet of the program's operation. We rely exclusively on our parents, family members and friends to provide volunteer support to the organization for things such as fun day, staffing our fundraisers, and field spotting for games and assisting with snacks and other activities. These activities are critical to the program's success and a great participant experience. Each family participating in the UNITY Thunder Cheerleading program will be assigned volunteer time at least once throughout the season.

Equipment Responsibilities:

I will accept full responsibility for all equipment and uniforms issued to my child and will take all requested actions to ensure it is properly cared for and maintained during the season, including routine cleaning. During equipment hand-out in late July, an Equipment Deposit in the form of a check for \$150 will be collected and upon return of all equipment at the scheduled equipment turn-in, this deposit will be returned.

Failure to return the equipment in clean condition as specified by the head coach or the program Equipment Manager will result in forfeiture of the Equipment Deposit.

Fund Raising:

In order to keep our registration fees in-line with other programs in the local area, while providing a great experience for all of our youth participants, we will conduct several fund-raising activities throughout the upcoming season. We expect all of our participating families to share in this to help us continue to make the UNITY Thunder youth sports program successful.
